THIS IS A MUST-READ BOOK

Were you aware that living in great cities puts lives at risk? This is a biblical fact, and now you have the chance to find out the truth for yourself. In this book, you will learn about the many evils that can be found in great cities. These evils work against humanity and the God of heaven. What we see today in these great cities are the histories of past generations, which are again revealing themselves before us. History is repeating itself. Keep in mind: Nothing is new under the heavens. The question is, though, what happened in cities before, and what will happen to them again? That is what you will learn as you read this book, which also includes poems and stories, making learning more enjoyable.

Many are caught up in city vice
